- Jacaranda International Pre-Primary and School's School Fee Policy and Procedures apply in conjunction with all school Policies and Procedure.
- You, and your child, will be responsible for complying with the terms and conditions as set out in the school policies and procedures and any related costs and/or fees thereto, as applicable.
- The financial liquidity of the school is dependent on the prompt payment of fees. Based on the operational requirements of the school, the Annual School Fee per child is calculated and facilities are then provided for the payment of the Annual School Fee in 12 monthly payments. These monthly payments are due in full on or before the 1st of every monthly period for which Fees are due in January and December inclusive.
- The school only accepts the following methods of payment (in South African Rands):
  - Debit Order
  - Card Payment - Visa or Mastercard (Payment to be submitted at the Finance Office)
  - Bank Transfer - Payments made into the appropriate bank accounts as specified above
  - Cash Payment (Payment must be submitted at the Finance Office)
- No default payments will be permitted at Jacaranda International Pre-Primary and School. The school reserves its rights and procedural process as set out in the Debtors Policy.
- No student will be permitted to return to school from the 7th of the month without full settlement of the account arrears which includes the most current month's invoice.

### ADMISSION TERMINATION:

Jacaranda International Pre-Primary and School requires one full month's written notice in the event of Termination of Admission and/or any school invoiced services which must be submitted, in writing, on/before the 1st of the month for the month in advance as determined in more detail in the Parent Contract signed by the parent/guardian. Notice of Termination must be emailed to the Accounting Officer, Ms Chanelle Van Der Westhuizen ([msvdwesthuizen@jacaint.com](mailto:msvdwesthuizen@jacaint.com)). Written Notice is only accepted once a written response is received to confirm such receipt.

Alternatively, a full month's Fees (including Additional Fees pro-rated for the month) are payable to the school instead of notice, and as a reasonable cancellation fee considering the nature of the care, supervision and educational services, capacity planning and reasonable potential to fill the vacancy. This amount is due and payable on the 1st day of the month, which would have been the final month if the appropriate notice had been given.

Failure to comply with this stipulation, for whatsoever reason, will result in account escalation as is stipulated in the school's Debtors Policy.

This 2024 Fee Structure Notice does not serve as written notice of Termination of Admission.
